

# INN AT HASTINGS PARK

LEXINGTON & CONCORD  
BOSTON, MASSACHUSETTS

At the Inn at Hastings Park we have always been guided by the same principles that guide the Temple Isaiah community: Tzedakah (justice), Tikkun Olam (repairing the world) and Hachnasat Orchim (generosity & hospitality). We are honored to be partnering with LEFTY to provide the food and cocktails for this year's virtual MAZON dinner. MAZON is a national organization working to end hunger among people of all faiths and backgrounds in the United States and Israel. To celebrate the occasion, we have designed a menu that celebrates the island of Puerto Rico, where the Inn's owner and Temple Isaiah member Trisha Pérez Kennealy, grew up and learned the importance of welcoming people with generosity and hospitality. I hope that you will enjoy it!

**We will be accepting orders through Friday, January 15, 2021 for food to be picked up throughout the day on Friday, January 22, 2021.**

Dinner is \$36 per person and we will also be offering bottles of Cava (Spanish sparkling wine) and 16 oz. bottles of our Sangria Boricua for \$18 dollars each. We are allowed to sell up to 64 ounces of alcohol per order which means you can order a bottle of Cava and 2 bottles of Sangria, 2 bottles of Cava, or 4 bottles of Sangria.

**We will be donating 50% of our proceeds to Mazon.**

If you would like to make an additional message to Mazon please use the following QR Code:
