

INN AT HASTINGS PARK

LEXINGTON & CONCORD
BOSTON, MASSACHUSETTS

Town Meeting Bistro at the Inn at Hastings Park is excited to be celebrating the Taste of Israel with a menu that incorporates owner, Trisha Pérez Kennealy's Puerto Rican and Jewish heritage. Puerto Rican cuisine celebrates the unique blend of cultures, that have influenced the island throughout its history. Similar to Israeli cuisine, Puerto Rican cuisine has evolved as the flavors of the different ethnic groups that settled on the island passed their traditions from generation to generation.

We will be accepting orders via the Inn's website thru Sunday, January 24, 2021 for our To-go tasting menu to be picked up Wednesday, January 27, 2021-Saturday January 30, 2021. The multi-course menu will be \$54 per person. We will also be offering bottles of Cava (Spanish sparkling wine) and 16 oz. bottles of our Sangria Boricua for \$18 dollars a bottle. We are allowed to sell up to 64 ounces of alcohol per order which means you can order a bottle of Cava and 2 bottles of Sangria, 2 bottles of Cava, or 4 bottles of Sangria.
